On Tuesday, July 2, 2019 at 11:25 p.m., the employees of the ATL Wings Restaurant were closing for the night. Several of the employees were in the parking lot preparing to leave and were contacted by the suspects who both had guns. One of the suspects forced an employee to go back into the restaurant to get money from inside, while the other suspect stood by the employees outside of the business. The employee retrieved money from the register and gave it to the suspect, who then exited the business. Both suspects then returned to their vehicle and fled the area.
